

CASE STUDY

Pinewood, Tilford, Surrey

Sharman Whyte provided full project management and development management services to a private client for the delivery of this bespoke country home. The service was delivered from the receipt of planning permission through to the sale and occupation of the house. The construction works were procured via negotiation with a local contractor with a £1.2m contract being awarded using a JCT Minor Works form of Contract.

Completed on time and within the preset project budget.
